To our St. Paul's Family,

We would like to thank everyone for all they did to help us celebrate our 25<sup>th</sup> year of teaching. We thank you for all of the cards, gifts, kind words, and prayers you have sent our way. Both of us couldn't imagine teaching this many years without God's and your help and support.

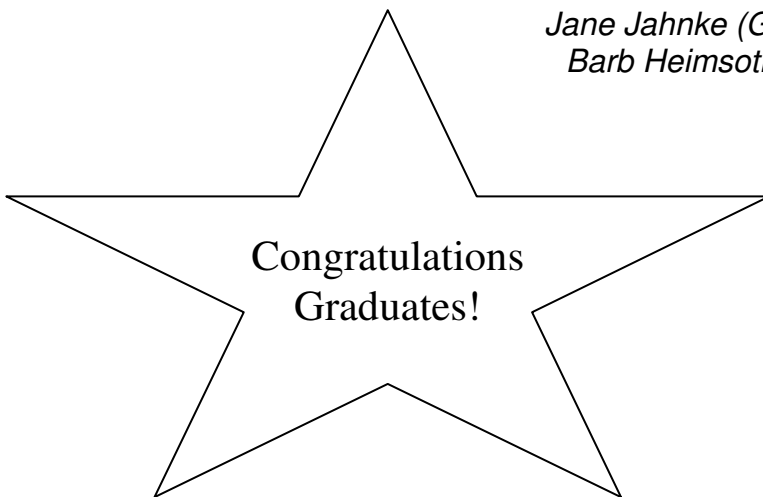

We especially thank the committee, those who made desserts, shared recipes, helped serve, set up and clean up, and anything else that was done to make our evening special. Also, we thank the First through Fourth graders who came and sang beautifully that night. The beautiful flowers were very special just like our students are to us!

Both of us will always remember the coffee, chocolates, smiles, and laughs we shared that night. Our prayer is that God would continue to bless the ministry here at St. Paul's.

God's Blessings to you all!!
